

OUR WEDDING – THE LOW-DOWN!

The invite has given you the key bits of information but here are a few other things that we wanted to share with you so that you are prepared and have a wonderful day celebrating with us.

Location

Brook Farm, Cuffley, Herts, EN6 4EX – First things first, how do you get to our beautiful venue? The postcode; EN6 4EX will take you to the farmhouse, however, our wedding is not taking place there but down by the gorgeous lake. To get there, you need to turn in the gateway opposite the main farmyard. Your satnav will tell you to go into the farmyard but ignore that and **look for the 'Brook Farm' flag signs and turn in at that gateway.** After a few minutes' drive you will come to the lake and the parking area.

Transport

Minibus: If you are travelling in a small group, by far the easiest way to get to and from Brook Farm is via a minibus. There are numerous companies available but one of the local companies who provide minibuses is goldenboy.co.uk

Cars: Vehicles can be left overnight at the owners' risk and can be collected between 9am and 2pm the following day.

Train: We have great links into London and Hertford so please check the timetable to see when the last train is. The wedding site is located across arable fields and it is pitch black at night time so you will need to get a taxi from the wedding site to the station for your own safety.

Taxis: Ubers **do not come down to collect** from the wedding site (the track down to the wedding venue is not an official road so their app does not recognise it and they will not come down it).

Please pre-book a taxi with a taxi company that is local to you – you can talk to them and explain where the venue is (see venue directions above). You could even book them to take you to Brook Farm so they know exactly where to collect you from? Failing that if you have forgotten to pre-order your taxi then you can try a local taxi company, as noted below. Please bear in mind that if everyone is trying to get a taxi from the same company at the same time, you will probably have a long wait. 30 minutes after the end time, the power is off and the electronic gate leading to the main road will close so please ensure taxis are booked for the end time.

Local taxi company – A2B Taxis: 01992 633 355 | A2B Booking App

Hotels

Fancy booking a hotel so you don't have far to travel at the end or maybe a few of you are even planning to continue the party in the hotel bar? Either way, here are a few local hotels.

Hertford House: hertfordhouse.co.uk

Travelodge: travelodge.co.uk – search for Cheshunt

West Lodge Park: westlodgepark.co.uk

What to wear

In essence, you will be celebrating in the middle of nowhere. There are no buildings but there will be a tipi/marquee for the main shindig. We will of course provide you with all of the basic infrastructure you will need including some very nice loos but we hope that you will spend a lot of time outside enjoying the countryside so just make sure you dress appropriately. Just be sure that you are comfortable and please wear/bring whatever you need to enjoy the great British weather (hopefully your sunglasses although we can't guarantee it...).

For the ladies that like a heel, we've been assured it can be done, however, flats can be a lot easier. If you do decide to go for a heel it might be an idea to pack some flats too as a plan B, just in case. Alternatively you could try a wedge or block heel so you've got the height but they're far easier to walk in on grass.

Children

If your children have been invited we just wanted to forewarn you that there is a lake at our venue that is very deep. We know that this means somebody will need to keep an eye on the little ones all of the time (which may not be too different to normal anyway!). There is also a lot of space so they can run around, play and have some fun outdoors. We just thought you might want to know about the lake in advance so you can plan accordingly.

Confetti

If you're planning on bringing some confetti we have a special request... PLEASE, PLEASE, PLEASE only use real flower petals. The paper confetti that is biodegradable is not allowed at our venue as even though at some point it will biodegrade, until then it will just litter the countryside. We've chosen to celebrate in the great outdoors because we love it so please help us to keep it beautiful and litter free.

RSVP

Please do RSVP by the date on the invite so we can get it all finalised in good time and of course let us know of any special dietary requirements.

Anything else?

Anything we've forgotten to tell you? Please just ask. We're looking forward to celebrating with you and would be more than happy to fill you in on any other info you may need.
